Subject: Request to release TAGA data; Hurricane Harvey Response

As per today's phone call from Ronnie Crossland (Regional Incident Commander), the TAGA's post-processed data (collected in September 2017) including the graphs, traces of the TAGA's data collection points, and the collected data file shall be released to Michael Honeycutt at the TCEQ.

Please release all of the post-processed TAGA data from this response to Mr. Honeycutt (michael.honeycutt@tceq.texas.gov).

Thank you in advance for your attention to this matter.
